Will you please send this letter today (I'll be leaving for the airport by 1:45.) The letter will need an SF-171 included (I have extras and will give you one if you don't have one handy.) I WILL need a hard copy of this for my file. Thank you. Ms. Christina M. Lauer 3000 Sout Run Drive Apartment B302 Arlington, VA 22201 Dear Chris: I received your resume by fax on May 26. Thank you for sending it. Enclosed please find a federal job application form, (SF-171) which is the next step in applying for an investigator position with the Review Board. Please complete this form and mail or fax it back to me at your earliest convenience. I will then circulate it to the Review Board's executive director, David Marwell, and to the senior staff. The next step would be for you to meet with Mr. Marwell and the senior staff, as part of the interviewing process. In the meantime I want to meet with you again to further discuss the Board's investigative function and your perspective on how to address issues related to that function. As you know I am out of town on business this week but will be back in the office on June 5. Let's talk that day to set up an appointment between us. We can arrange the rest of the interviewing process from there. I look forward to meeting with you in the near future. Sincerely yours, Anne Buttimer, Esq. Chief Investigator
