|                                    | I am having a little trouble with the file system perhaps you can help me out. A while back I generated two<br>summaries one of the Pike Committe papers, and another of the Church Committee papers, both of which<br>are located at NARA - College Park. While I am fairly sure of the file number which I should assign these<br>papers, I am not sure about where to place the file on the computer (eg T drive, etc.), if they are to be placed<br>on to any drive at all.Does that make any sense?I'm sure that all of this was explained to me once before. It's |
| Body:                              | just that I have a really short memory. Thanks for your help.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
