Subject:	Availability for Tasks
Body:	Except for tomorrow's meeting and whatever work may flow out of it for me, I am presently caught up on tasks previously assigned me (document searching for Anne at Archives II, etc.). While there is obviously a vast amount of general reading (for instance, I further dented my yet-to-be-received first paycheck by purchasing John Newman's book last night) and computer practicing I could be doing -- and am happy to be doing -- I am available for other tasks which you may have on your list, waiting for unoccupied bodies.
