In order to get the interns on a building access list, Tracy needs to know the social security numbers and birthdates of the summer interns. I have Dan's and Delaney's social security numbers, but not their birthdates. We need to gather the other information from the other interns today and Monday. If you could talk to the interns as you see them, that would be great. I will be doing the same - we'll combine lists later. Thanks.
