**Subject:** Lawyers Do Not Have Packets

As I am sure Dennis has informed you, we walked all the way over to Marriott Metro Center (it was worse than the stories your parents told you about walking to school 15 miles, each way, in the freezing cold with only stove-heated bricks to keep their feet warm...), only to learn that there is no packet pick-up there today, as they have moved it to Washington Harbour. Therefore, I guess we probably all will end up seeing each other at the packet pick up site on Sunday morning at Washington Harbour at the crack of dawn. Sorry!For those of you who are particularly motivated (to find a parking spot in Georgetown on Saturday and to sleep in on Sunday), you can pick up your packets at Washington Harbour ("where in Washington Harbour?" you ask....I have no idea) on Saturday.
