Subject: RIFs for opened documents

My search for the RIFs in the CIA database was unsuccessful. Michelle informs me that the information concerning the boxes in which these documents reside is not on the database. If it would be vital that these RIFs be matched to the documents, Michelle is certain that she could get them if she went out to CIA. According to the CIA team records, the board voted to release documents 1, 2, 3, 4, 5, 6, 7, 8, 11, 12, 13, 14, 17, 18, 19 & 21 and tabled 9, 10, 15, 16, 20 & 22. Of the documents voted for release, I have placed in your IN box, copies of RIFs for the majority of documents and identifying information for those without RIFs.
