**Subject:** The high school kids Monday morning  
Just a reminder that the kids will be here beginning Monday morning. I will be conducting their introductory briefing around 9:00 a.m.. If each of you are still willing to give the short summary I discussed with you earlier this week, I would be grateful. I would like to have maybe a five minute summary of each team's activities, and both of you would be done by 9:15. Thanks again, and please let me know if there is any question or problem.
