**Subject:** The kids on Monday a.m.  
Just a reminder that the Indiana kids will be here by Monday morning at 9:00. I have prepared an introduction for them, so if you just want to briefly welcome them to the ARRB, that would be sufficient. If you wish to do an introduction, I will simply strike or abridge mine accordingly. I'll let you know when they get here. Thank you again, sir.
