Subject: Wednesday morning schedule

Sorry to swamp you with administrative stuff. Tracy tells me I need to confirm with you that it's OK for me to arrive tomorrow in the 9:20-9:30 AM range. Per my E-mail of yesterday, this would allow me to stop by and say hello to my former boss and Congressman, Dick Swett, who will be in town then. Tracy further informs me that I need to determine with/from you whether or not this will be official leave time, or if I can promise to stay an extra hour after my official end-of-day-time and deal with it that way. Whatever you think best is fine with me. To potentially save you time and bother, if I don't hear from you I will assume -- as we would like to do vis-a-vis the Board and the White House -- that your silence represents consent.
