**Subject:** Your memo of 6/7, re: Projects for Summer Interns

With intern assistance, I propose to simply go down your numbered list, from 1-16, and see what we come up with in our databases and out at Archives II. I don't know whether you want progress reports along the way but, assuming for the moment you do, here's where we stand on 1-5:1- Miami PD: as you already know from the letter we found yesterday, Miami PD forwarded its complete file to HSCA. IN THE COLLECTION.2- Metro-Dade PD; 5- Chicago PD: databases checked, documents will be perused at Archives II tomorrow.3 - Tampa PD, and, 4 - Florida Highway Patrol: database checks have come up blank. I checked every "Tampa" entry and every "Florida" entry and there didn't appear to be any documents in the database originated by either of these organizations. Therefore, I think it's safe to say that you could contact these two organizations without much fear that they have already turned over all their files to HSCA or whomever.
