Subject: Louisiana assassination records
I've identified two other public sector (possible) sources of records. I've prepared a letter for David's signature which is very similar to the letter we sent to public agencies on May 24. The two new letters are in Gum Shoe, Issue #8, at today's date. When you've approved them, David, will you please send them, Eileen. Each should have the same enclosure(s) as the May 24 letter.
