Subject: Manuel's agenda

Body: Excellent idea. Do please note that for new info. in the logs, you only need cite one document in which a crypt or name appears. (More only where necessary or particularly useful. Use your judgment).Manuel/Michelle: I'm trying to schedule a visit for you to CIA to look at withheld HSCA records. Ask Jeremy for updates (a letter is going over) if you haven't gotten confirmation on this before I go. I'll put the list of our tallies of withdrawal pink sheets (for those boxes we looked at while at NARA) in my in-box, should that prove necessary for Barry's search.Bob/Eric: As I understand it, the State Depart. stuff is all taken care of, for the moment, with our newest DOS records about to be logged in.All: Don't forget--if you have time, start to review the records!
