Subject: HSCA staff information

Body: Jeremy - do you have a contact number for Eddie Lopez? Thanks.Also - will it be possible to have one of the summer interns run the 170 HSCA names I have in the HSCA database to get RIF's for payroll information and expense payment information from which I can glean DOB's and SSAN's to conduct database searches for current addresses (David said these records are being withheld on privacy grounds) and the Mary Ferrell database to get last known addresses on any staffers she might have listed.At some point in the near future I'll also need assistance getting Pike Committee and Ramsey Panel staff names and the same locators and identifiers. Is this something the interns could assist me with?
