Subject: Revised letter to CIA re HSCA withholdings
I've put a hard copy of this letter, plus attachment, in your in-box. As you can see, I've not given Barry a title (noone in the office except John has one, and although we could make Barry a "senior reviewer" and be accurate, it runs the document over onto the next page by one line). I've also added a bit about the attachment. I've attached a copy of this below, in case you want to change it before it goes to David and then gets faxed. I won't be in tomorrow--I'll be in Suitland--so if I can't get it approved and faxed tonight, I'm afraid you'll have to do it.
