Subject: Mobile Unit Bulletin

Please make appropriate entries to the list of released names, file numbers, etc. for the documents in your respective piles. Only one person at a time can work with the wordperfect document containing the list, so we will have to take turns. Noelle has kindly agreed to assist in updating the list for documents released in full. The list is now in the R drive -- Kevin can provide details if you have trouble locating it. Let's try to make accurate, consistent updates to the list. In working with it to identify potential "consent releases," I caught a couple of errors (or maybe they caught me). So, let's be careful out there.
