**Subject:** Carlos Marcello file  
Janet Dorsey from the clerk's office, US District Court, ED LA called today. The Marcello file is in. It fills 9 boxes. You may review it anytime, they'll keep it for one month. Her number is 504/589-2122 if you need to contact her. If you need help reviewing this let me know, I can always put together an investigative trip to NO if David approves it; I could then review the file while I was there.
