Subject: HSCA, WC, etc. staffers database
I spoke to Chet today about the database you want all the former staffer's names and contact information entered into. I received several today from Andy Purdy (see call report at Issue #23.)Chet said to open this in the Agency Contacts database which I've done. I created a separate Contacts heading for each committee/panel/commission. When we receive a large number of names I'll give them to Jerrie to type in, for now I'll copy what I have from Gum Shoe to Agency Contacts.
