Subject: Lou Ivon
Ivon called me today. He has really put the Garrison investigation behind him and had very little to say. He had no thoughts on where else to look for records. The only interesting things that he said were: (1) he recommended to Connick that they give us the Garrison records and (2) at one time he estimated that there were 4 or 5 file cabinets of records. as you know, the DA has one file cabinet of Garrison records.I did not pursue Ivon as a witness, but did tell him we might want to talk to him at the DA's office when we were in New Orleans.
