Subject: Re: Memo routes
I put a memo and attachments in Anne's box a few moments ago. I've put a signed copy in your in box for filing. But it occurs to me I've done it wrong. Do I have to have you print it out (like I do when I send something to Steve Tilley)? That seems like a lot of work for you. Let me know if I've run afoul of our system, and I'll make what after-the-fact amends I can.
