Subject: Re: government manuals
This is what I got from Dennis on the subject.To: Phil Golrick/ARRBcc: Noelle Gray/ARRBFrom: Dennis Quinn/ARRBDate: 06/21/95 09:09:29 AMSubject: Re: government manualsI actually sent an E-Mail with this material to Tracy yesterday, but here it is again. The GPO Government Style Manual is available at the GPO store for around \$5.00, so I am told. I have also been told that they are either printing a new edition, or phasing this book out of existence. I realize that this information is somewhat contradictory, but this is the Government after all. One phone call to the GPO store should confirm this information.
