Subject: Database

Made good progress on the database, have a few issues to discuss when I get in.I set it up to on the RIF when you send it to the board the Review Form is Created at that time for Red and Yellow issues.Any button with an OK is working I hope.I will be in today around 4ish. I think we should proceed to have a demo on Friday.Lets hold it at 11:30 or 1:30. I need to go to a morning meeting at 10:00 and want to have time to set up the projector.
