Subject: Update on Conference with Maya Bernstein
Maya left a message on my voice mail apologizing for missing our conversation scheduled for 11:00. [She said that she had a meeting on another matter that she forgot about when we scheduled the 11:00 slot and then she was going to call me last night and leave a message, but forgot.] In any case, she offered to meet at 4:30 today and I called her back and said 4:30 is fine.
