**Subject:** list of New Orleans' media

In the past we've talked a bit about the best way to get information into the Collection from various media sources (newspaper reports, still photos, newsfootage, etc.) I'm thinking of daily newscasts as well as special programs for the TV aspect. I'd like to get your sense of the best way to approach the print and electronic media (a letter of introduction from David, perhaps?) Also, may I have your New Orleans media list (and probably your lists for Miami and Tampa, if you have them, for Chicago and of course, Dallas. After you and I have some preliminary discussions we can sit down with David and determine a more detailed approach to this source of records. One issue I expect we'll need to decide is how extensive our media search will be, ie. will it cover all the networks, the local affiliates, the newsmagazines, all major city papers, etc. I'm available to meet with you whenever you can - possibly when you get back from NO?
