Subject:	cover letters, rules, and forms
	Here it is:Dear Maya:Enclosed for OMB final review you will find three copies of the Review Boards Proposed
	Rules Implementing the Freedom of Information Act, and three copies of a completed Executive Order 12866
	Submission Form. If you have any additional questions or comments, please do not hesitate to call. Thank you
	again for your valuable comments. Sincerely [Noelle - go ahead and write this over Davids signature, after all.
	Thanks. Also - I re-read the submission form and it looks like we have to send to Maya three copies not
	originals of both the proposed rule AND three copies of that form I had you type earlier. This is different
	than the three original copies well send to Federal Register. We should just send Dick Huff one copy of the
	proposed rule and the cover letter.]Thank you very very very very very very very very
