Subject: Re: Dr. David Murrah - Dallas public hearing witness
Frank read through all the testimony for me, I then followed with a closer eye in the areas Frank highlighted as being sources of non-federal records. The Texas Tech collection was one. I've drafted a letter for David to edit/sign to Dr. Murrah, but I wanted to be certain no one else had opened this avenue of inquiry first.To: Anne Buttimer/ARRBcc: Eileen Sullivan/ARRBFrom: Tom Samoluk/ARRBDate: 06/29/95 09:55:03 AMSubject: Re: Dr. David Murrah - Dallas public hearing witnessJeremy had someone going through all public hearing testimony, I believe. I don't think that what Murrah siad has been followed up on. I would check with Jeremy and David.To: Tom Samoluk/ARRBcc: Eileen Sullivan/ARRB From: Anne Buttimer/ARRB Date: 06/27/95 02:52:27 PMSubject: Dr. David Murrah - Dallas public hearing witnessTom - at the Dallas hearing Dr. Murrah (librarian at Texas Tech) said they have microfilmed the Waggoner Carr papers with the microfilm for sale. They also have tapes of oral history interviews with Carr pertaining to the assassination. I've opened investigative issue #37 on this to obtain the same. Has anyone made an inquiry to Dr. Murrah to get the microfilm and tapes? If not, I will prepare a letter for David's signature requesting the same. Eileen - along with the attachments to Dr. Murrah's testimony will you also please get me his mailing address and telephone number if you have it in the files. thank you.
