Subject: More on HSCA consultants (oops!)
Although in my previous E-Mail and memo, I described the list I gave you as comprehensive, I notice that the acoustics panel (Barger, et al) are not listed there. I don't know why, unless: 1) they worked pro-bono and thus there were no contracts (unlikely), or 2) they came on late and somehow or another didn't get in the file (more likely). In any case, I didn't see anything on them in the files today.
