Subject: Mark Lane's conversations with LHO's Marine buddies at El Toro
In your "in" box you'll find a transcript of a 1978 interview of Mark Lane by WVUE-TV in New Orleans, in which Lane references having talked with former Marines who served with LHO at El Toro and who claim they all knew Oswald was CIA. He doesn't name these alleged former colleagues of Oswald's, but he describes one of them as a judge in California. I've not read Lane's books, so this may be very old news. But I pass it along anyway. Aaron Kohn purchased a videotape of the interview with Lane, which is apparently in the MCC of NO files.
