Subject: Brad Ayers/Gene Wheaton
I'm interviewing Wheaton tomorrow afternoon. He is somehow or other tied into the Brad Ayers story (Ayers apparently told Jeremy several months ago that Wheaton has been fed dis-information to feed to us, although Wheaton doesn't know it's dis-information, etc, etc. Jeremy suggested I read your memo on Ayers for background. May I have a copy of it, or where will I find it in the computer. thanks.
