**Subject:** Visit to Secret Service

I just spoke with Ann Parker. She said it will be fine with her if I come to her office on July 19 to review materials and, I hope, retrieve photocopies. I will be going back to Centre Pointe sometime during the week of July 24. The exact date depends on when her driver, Chuck, can get a vehicle. I think the reason for John Machado's call to you may involve my request for photocopies at this point. Apparently, Latita assumed that we would only receive photocopies of redacted material after she has reviewed it. I told Ann Parker I would take this up with John Machado on Wednesday. Before then, I might write a memo to request photocopies as we identify reviewable material at Centre Pointe. I told Ann Parker that we needed to account for materials released since the passage of the JFK Act, and she agreed that a formal list will be necessary.
