Subject: outgoing correspondence
Several weeks ago we had conversations about Issue 38 (Dick Russell); Issue 37 (Dr. David Murrah); and Issue 36 (John Burns.) I apparently misunderstood your comments about the letters; I thought you'd made some changes and had Jerrie send the letters. I called Dick Russell today to follow up, he told me he never received the letter. Jerrie and I started looking and she recalled it might be in your "pending" folder. It was, along with draft letters to Murrah and Burns. (They were next on my list to call, but thankfully I had not called them yet.)
Body: How do you want to proceed with these investigations/letters?
