**Subject:** New Task Discussions

The following is for the purpose of alerting you to my whereabouts tomorrow, in the context of your wanting to brief me on some new tasks: I'll be in tomorrow in the 8:00-15 AM range. I am scheduled to spend the day at Archives I on HSCA staff identification and other tasks. Normally, Matt/Chris kicks us out for an hour in order to take their lunch hour. And I will obviously be around in the late afternoon. In short, I'll be physically in the office tomorrow from about 8:00 to 8:45, the better part of an hour at midday and then again in the late afternoon. FYI.
