**Subject:** Warren Commission adminstrative records

**Body:** I cannot remember if I asked you to get the Warren Commission administrative files from Steve Tilley. I don't think I did, so I'll ask you now. I spoke to Steve by phone about this a couple of weeks ago and he said they don't have much WC admin. stuff, but that he will pull out whatever he has. This is part of my ongoing search for names and identifying information about former members/staffers/consultants. If you can develop something along the lines of what you're doing for HSCA staff that would be great. Thank you.
