Subject: Gum Shoe Issue 23
At your suggestion I spoke with SteveTilley several weeks ago concerning the whereabouts of the prior investigative entities' files (see call reports of 7/7 with Steve and Bernie Berglind.) It looks as if we'll need to contact the LBJ Library to determine if they have the Ramsey Clark materials (see Berglind's report.) Steve suggested we contact Chief Archivist Karen Holzhausen at the Ford Library for the Rockefeller materials. How do you want to handle this approach to each?
