Mildly alarmed, now that Tracy has indicated she has no recollection of my E-mail on this subject sent during my first week on the job, I hasten to remind you that I am slated (God-and-Jeremy-willing) to be in Nags Head, NC , next week with my five siblings, two nephews and one niece for a week of sun and golf. Having been "off" 4 1/2 months at the start of the year, I can hardly plead work-related exhaustion, but it is the only time this year I will be able to see all the aforementioned family members. The date was set (and deposit on the vacation house put down) back in January when I was still only a twinkle in the eye of the great R & A god in the sky. Do what you will with me, but be aware that if my siblings are forced to regurgitate my 1/6 share of the financing for this venture, at least 3 of them will have to declare bankruptcy and one of my sisters will probably have to postpone her Labor Day Weekend wedding (.... but that's another E-mail). Tracy has given me a form for you to consider signing. It is attached to the hardcopy of this E-mail. Many thanks.
