**Subject:** Newsclips from New Orleans Weekly "Gambit" 7/25/95 Issue

**Body:** I have put in your "in" bin copies of a Gambit article updating the Garrison Grand Jury records situation and a letter to the editor by Connick. Gambit had called last week saying they heard that Connick had subpoenaed the Grand Jury records and wanting a copy of the subpoena. I had Eileen fax them a copy of the subpoena, and, to give the complete picture of the Board's position, the Justice Department response and the Board's letter of last week to Connick. Please note in Connick's letter that he refers to 1977 as the year of the destruction order of Grand Jury records. That is odd in the context of the Gary Raymond allegations because Raymond stated Connick ordered him to destroy the records in "late 1974 or early 1975."
