Subject: GSA

Just heard from Cassandra Browner from GSA, who informed me that I wasn't eligible for the Thrift program this time around. I told her that I was quite sure that I was, and it turned out that she had no record that I had ever before been employed by the Federal Government. I told her that I had given all of that information to GSA (Linda) on the first day I came here. (I even remember a discussion I had with Linda about the exact length of time of my break in employment, which was only from Nov. 1, 1994, to April 1, 1995). Cassandra's going to look into it tomorrow morning, but I wanted to let you know, in case there's a further problem. I certainly shouldn't have to wait for the next open season in order to participate in Thrift.
