Subject: Agency Contaccts Phone List

Body: It is complete. Unfortunately you know too many people and it does not fit on one page. I used a portrait layout to get as much on one page as I could. If you would prefer it be in a landscape layout I can change it. I entered the agency EXACTLY as it appears on the Agency Contacts Database sheet..Do you want this kept on the g drive. If you would like it to be somewhere else move it , but please just let me know where that place is.
