**Subject:** Tape

I just returned from Archives. Little success. They had no luck in getting the tape, which is small, to play on the recorder they had, which is large. Someone from Archives Audio Division is stopping by (they're now located at Archives II) sometime today to look at the tape, which Frank and Lee are leaving there. It may be necessary to go out to Archives II to listen to it, if they can't rig the present system to work.
