Subject: CIA presentation, upcoming Board Meeting

Body: When I talked with Ellie today, she asked if I knew whether CIA had been scheduled onto the Board's agenda yet for the upcoming meeting. I told her I assumed that it had, because we were counting on them being there, and that I also assumed that it had been arranged between you/David and John Pereira. Possibly the word hasn't reached her yet from John and Barry. But if John and Barry haven't yet been informed of a specific time and date, they really should be, soon. My meeting with Ellie was a good one, by the way.
