Subject: Work at FBI
Our recovery from database problems has been halting. This means that we are still in a position to check duplicate locations on only a small number of documents copied for Board review earlier this week. A full-strength deployment of the Mobile Unit is not warranted.I am leaving for the FBI now. Tammi, please join me at your convenience. Laura, please come join us when you are back from DOJ. You should each check with Kevin before you go and take copies of any request for evidence forms he has printed out since the previous person left for the FBI. (Leave a set of copies with Kevin also.) Dennis, we'll have you initiated into the wonders of JEH Room 6712 next week.
