**Subject:** Status of tasks/thanks again

**Body:** I hope mine and Joan's forays through the HSCA/USSS files were reasonably useful this past week. On the other main task of the week, I have completed my updating of the chronological file with anti-Castro Cuban material. It's on the T-Drive, on the same version of the chronological file which contains my truncated additions from Newman's Oswald and the CIA. I rushed it a little in an attempt to get it done by the end of the week, and I haven't printed it out for purposes of proof-reading. But it's on the T-Drive, jfkchro.30, if you want it. Thanks again for your permission to go on "Joe's Family Vacation." Much appreciated.
