Subject: 5 CIA documents
Barry says that the 5 documents on Elena de Paz, which we brought (or had sent) back with us some time ago do not appear on our records up for review at the next Board meeting. Being Mexico City documents, he wondered why. So do I. We certainly were considering them at one time. Do you recall what happened to them, and can you find them for me? They should be added to our table for the Board as well. Barry gave me the record numbers, as follows: 104-10007-10040 -10037 -10046 - 10043 104-10008-10109 Please let me know what you find out. Thanks.
