Subject: Sergio Arcacha Smith

Since getting my clearance I've read Smith's 67 page deposition to an HSCA investigator. He did not say anything in it that leapt off the page, although either of you may find more familiarity with some of the CIA related names he mentioned. Several months ago you mentioned the desire to interview Arcacha at some point, Jeremy. I think it would be a good idea to do so as soon as you are ready, in advance of Gus Russo's book being published, as we don't know if Gus gives Arcacha any publicity in the book which he might react to in an adverse manner for purposes of speaking with us. What thoughts do you each have on this matter?
