Should get tickle messages now, I hope a bunch.also have created FinCen form under the Compose Menu Activity section.for moving around faster use the collapes view selection under the View Menu at the top of the screen, then all of the issues will be bunched and you can Expand the view of a single issue to work on it. Also try using the scroll bar to the right of the screen, by pulling on the small block up and down with the mouse you can move around faster.
