Subject: Test Notice
I have left a test Federal reg. notice on your chair or in you in box to show the new format with the listings of postponements. If this new format is ok. I will be in Friday and add it to all of the various letters and other views. We still need NARA numbers on a few of the documents from the CIA to finish and send out the material. Jeremy, please note the slight change needed on page two of the wording about the listing postponements. Let me know if we need new wording. Thanks
