1.We are low on 8.5 x 11 paper.2. The open/close record sheet for the front door was full as of yesterday morning. Therefore,Chet, who closed last night (according to Phil) did not sign anything and Jeremy, who opened this morning did not either. A new sheet is needed and I assume those those two should fill in the first two lines on the new sheet. I was here when Jeremy opened this morning and we noted the time so we could fill out the sheet later. If this makes no sense I'll explain it in person.
