**Subject:** Re: Gum Shoe issue 40 - CPUSA  
David Garrow suggested Harvey Klehr's recent book, The Secret World of American Communism, as the best and most up-to-date source of information on the CPUSA. We've been trying for several weeks to get it from LOC, however it is missing from there. Eric asked them to initiate a formal search this past Monday.I checked Olsson's. The book is \$25.00. Shall I buy it or do you want to wait for it through LOC?Joan and Phil each expressed an interest in using it for some of their work if we were to buy it.
