Subject: Belated Thanks
I would to thank all of you who helped in the preparation of our Reply to the FBI's appeal, particularly Phil (who did a superlative job), Noelle (who dealt with adversity patiently), and Kevin (who lost some sleep). We had very little advance notice and needed to put together a vast amount of material in very short order. We couldn't have done it without teamwork. We now have some added experience to bring to the next agency that wishes to challenge the Board!
