**Subject:** Follow-Up Chart  
Jeremy told me that he was going to pass the responsibility for the follow-up chart to you. (Hopefully you know this by now.) I left my "to be included" file on your chair. There are two letters in the file, but only the top letter need be included in the chart. The second letter is a courtesy copy of a FOIA request that someone sent us -- we probably do not need to follow up on that letter unless we learn that the agency denies the request. In the bottom drawer of the file cabinet by my desk, I have the "A&R Follow Up" files. They are organized by name of requester. If you have any questions, let me know. Thanks!
