**Subject:** FINCEN

**Body:** Alex Treadaway would like to arrange for an electronic transfer of information requests we send to FINCEN, in order to free them from having to type all the information from our faxes into their database (they've tried to scan it in but found it does not work well.) FINCEN's computer person, Debbie Leshinski will call you soon to talk to you about the best way to do this. She will travel here to meet with you if that is needed, as well.
